

April 2012 Newsletter

The Waterford Devonshire Pot Luck was very nice and Delicious. Look for the article about it in the Gateway Gazette.

FYI: Please let our community know the great results they worked together to accomplish. Our individual goal for our endeavor at Waterford Village was 150 cans to help support the soup kitchen/pantry at CCMI (<http://www.ccmileecounty.com/>) here in Fort Myers. The great people of Waterford Village came out during the annual garage sale and knocked that goal out of the park! We gathered 200 food items! I had to count 3 times to make sure I got the number correct! 200!! I found out yesterday afternoon that with all the Feeding Fort Myers parties (150 throughout Lee County) we together collectedready, wait for it.....38,050 cans!!! That is enough to support CCMI for 6 whole months! Our goal was to collect 25,000 cans. As you can see, our people in Waterford Village showed they cared and together with others was able to accomplish something so out of the box and beyond our expectations. Waterford Village - You guys are awesome! Thank you so much for your caring!

Mike & Bettye Lowery

The Board of Waterford Village has elected to change our Landscape Company. You will be seeing Landworx Company here after May 16th 2012.

It has been noticed that some residents are putting their recycle/trash out early. Recycle/horticulture is Thursday morning and it can be put out Wednesday after 6PM for pick up and trash is Friday morning and can be put out on Thursday after 6 PM.

The next Waterford Board meeting is Thursday, May 9th at 6 PM in the pool cabana.
